** Please note that cancellation of a course reservation must occur at least 1 week prior to the reserved class date for a refund of the reservation deposit. If notice of cancellation or reschedule is not received at least one week prior to the reserved course date, the course deposit is forfeited. If the deposit was made using a credit card "hold", the deposit fee plus tax and a credit card use fee of 3% would be charged should the reserved course not be attended for any reason. If the course fee was paid in full, the payment less the deposit fee would be refunded and could be applied to a future course date.

Freedom Armory may cancel a course at any time and would provide participants the opportunity to reschedule on a date provided by Freedom Armory that is suitable to their schedule.
